

# Connecting to Zoom from Your Android Phone

1 To download the Zoom App to your Android phone, go to the Google Play Store on your cell phone.

2 Start typing Zoom. The app is called ZOOM Cloud Meetings. Click on that app title.

3 Next, Click install.

4 Once the download is complete you can click Open. (You can also go to the app icon on your phone to begin.)

5 You will have three options.

6 **Choose Option 1: Sign Up.** Use the email you have given NorthKey to contact you with.
