

Connecting to Zoom using Internet Explorer on your Computer

	<p>Join Zoom Meeting https://zoom.us/j/5690819393?pwd=NENTTXp4TTFwdmVJbmZUd3M2biMzZz09</p>
<p>1 Most often your NorthKey Provider will have sent you an email link to help you find your meeting. THESE INSTRUCTION ARE FOR INTERNET EXPLORER or MICROSOFT EDGE.</p>	<p>2 Click the blue link.</p>
<p>A download should start automatically in a few seconds If not, download here. If you cannot download or run the application, join from your browser.</p> 	
<p>3 A new window will open and this message will be displayed. At the bottom a pop up will appear (once it downloads) you will click Run.</p>	<p>4 Another window will pop up. If your meeting doesn't appear to start. Go back to your email and click the blue link again.</p>

	<p>6 You will see a window/popup like this.</p> 	<p>7 It may take a couple minutes for your NorthKey Provider to start the meeting, when they are ready to start you will be asked to enter your name.</p> 
<p>5 The Zoom Icon will pop up on the bottom of your PC. It looks like this.</p>	<p>6 You will see a window/popup like this.</p>	<p>7 It may take a couple minutes for your NorthKey Provider to start the meeting, when they are ready to start you will be asked to enter your name.</p>
		
<p>8 Once you have entered your name, click Join Meeting. Then click Join with Video.</p> 	<p>9 Make sure that the mute button is white (not red on the lower left hand screen).</p>	<p>10 When the session is over you can end your session by clicking Leave Meeting in the lower right hand of the screen.</p>
