

Friends of NorthKey Scholarship Program

Scholarship Description

The Friends of NorthKey Scholarship Program has been created to help NorthKey Community Care (NorthKey) clients and family members of clients who would otherwise have little or no opportunity to pursue higher education or training. We are committed to finding and funding the most promising students with the greatest financial need.

To be eligible to apply, applicants must be clients of NorthKey or an immediate family member of a client of NorthKey. Immediate family members are defined as spouse, children, parents/legal guardians, siblings, stepchildren and stepparents. Applicants must also have completed their high school diploma or GED (or will complete it within 6 months of application) and plan to attend an accredited university, college, vocational school or training with a certification program. Applicants must live in the 8 counties which are served by NorthKey (Kenton, Boone, Campbell, Grant, Pendleton, Carroll, Owen, Gallatin Counties).

Selection Criteria

Applicants are selected to receive awards based on financial need, academic merit and other nonacademic factors such as community service, school activities and work experience.

Applicants must demonstrate a clear vision for how their education will help them achieve or improve their employment and career goals.

Applicants must have a NorthKey staff member sponsor who will help the applicant through the application and interview process and who will attest to the applicant's qualifications.

If selected for a scholarship award, the applicant must provide proof of enrollment in a university, college, vocational school or training with a certification program in order to receive the award funds.

If the applicant is reapplying, they will need to send in the prior year transcripts.

Award Availability

For the 2021/2022 term, \$7,500 in scholarships will be awarded.

The scholarship funds awarded may be used for any expenses related to the school or certification program (ie. tuition, books, school supplies, computer, living expenses, etc.).

Application and Notification Process

Applications are available by contacting the applicant's provider or Laura Harris at lharris@northkey.org or Jeannie Anderson at janderson@northkey.org. Applicants will complete the application and return it to their provider or Laura Harris or Jeannie Anderson by 5:00 P.M. Eastern Time on March 5, 2021.
